

Peterborough Region Community Resources for Grade 1 & 2 Landmarks

LANDMARK 9: Visit your own special outdoor place (at least every two weeks).

Resource	For	For	Land-	Comments
Resource	Families	Schools	mark #	Comments
Camp Kawartha Environment	V	V	9	Families can visit the grounds which have a frog pond, bird feeders,
Centre				wetland and forests. It can be accessed through the main gate on
				Pioneer Road or via trails from the Trent Wildlife Sanctuary on
				University Road. In addition to extensive school programs available
				at the centre, outdoor playscape features provide great ideas for
				schoolyards.
Gamiing Nature Centre	$\sqrt{}$	$\sqrt{}$	9	Gamiing Nature Centre on Pigeon Lake welcomes families and school
				groups for a range of outdoor experiences. Check out the website
				for details and upcoming events.
Ganaraska Forest Centre	V	$\sqrt{}$	9	Trails, forests and an education centre can all be found at the
				Ganaraska Centre. Great place for family recreation. Curriculum-
				linked outdoor programs available for school groups from Kindergarten
				to Grade 12. Contact the Centre for details.
GreenUP Ecology Park	V	$\sqrt{}$	9	Families can visit Ecology Park year-round to look for wildlife and
				explore trails and various habitats.
				From May to October, there are demonstration sites, children's
				activities and school programs available. Check the website for
				details. Access the park through the main gate north of Peterborough

				Utilities (no parking) or through Beavermead Park parking lots off
	,			Ashburnham Drive in Peterborough.
Kawartha Land Trust Properties	$\sqrt{}$		9	Kawartha Land Trust stewards a number of beautiful natural
				properties in the region. Many have trail systems, and special events
				include guided walks and volunteering opportunities. Check out their
				website for locations and upcoming events.
Mark S. Burnham Provincial	$\sqrt{}$	$\sqrt{}$	9	Excellent destination for family or group visits. Beautiful maple and
<u>Park</u>				hemlock forest - perfect for exploration! Just outside the City of
				Peterborough on Lansdowne St. E.
Millbrook Valley Trails	V	\checkmark	9	Wonderful family destination for exploring trail system and beautiful
				forests. Regional school groups welcome too.
Otonabee Conservation	V	\checkmark	9	Many regional conservation areas to visit for exploring in nature.
				Families and school groups welcome. Visit website for further details
				on locations near you.
Peterborough Parks	V	$\sqrt{}$	9	Great variety of popular parks with natural areas, beaches,
				splashpads and picnic areas. Family favourites include Jackson Park,
				Rogers Cove and Nichols Oval. Check out city maps for details.
				Parks within walking distance of most City schools.
Peterborough Trails	V	$\sqrt{}$	9	Peterborough has a fabulous trail system that is excellent for parents
				with young children - walking or cycling. Trails are within walking
				distance of many City schools.
Private Yards and Properties	$\sqrt{}$	\checkmark	9	Landmark #9 focuses on expanding a relationship with a place that is
				special to the child, that they can visit on a regular basis throughout
				the year. That could be part of their own yard, a place in the
				neighbourhood, a family cottage or farm, the schoolyard, or a local
				park. Choose someplace easy for you to access, and encourage
				children to get to know the place in detail, throughout all seasons.
Riverview Park and Zoo	V	$\sqrt{}$	9	Park and grounds are open every day with free admission; animals
				available to visit every day; splash pad during summer months.

				Many school workshop opportunities for Kindergarten classes. Visit
				the website for details.
Trent University Nature Areas	$\sqrt{}$	$\sqrt{}$	9	With over 30 km of nature trails, Trent University offers wonderful
				opportunities for nature exploration within the City limits. Parking
				area on University Rd, with access to marked trails. Visit the website
				to access directions and the trail guide.

LANDMARK 10: Plant, tend and harvest something you can eat.

Resource	For	For	Land-	Comments
Resource	Families	Schools	mark #	Confinents
Farms at Work	V	$\sqrt{}$	10	Farmers feed all of us! Contact Farms at Work Director Pat
				Learmonth to explore opportunities to visit or help on a local farm.
Nourish Project	√	$\sqrt{}$	10	Can visit your class to help start a food garden in the classroom or
				outdoors; can explore what makes a healthy diet, and where our food
				comes from; may be able to provide materials including seeds and
				plants; Families can be linked with a nearby community food project.
				Contact Jill Bishop at growing@nourishproject.ca
Peterborough Downtown	√	$\sqrt{}$	10	A great place to explore for a sensory delight! Every Wednesday
Farmers' Market				from May through October; talk to farmers about how they grow food;
				see the bounty that changes throughout the seasons; 8:30 AM to 2
				PM. Ask for some advice on what you could grow yourself!
Peterborough and Area Master		$\sqrt{}$	10	Master gardeners may be able to assist with planning and developing
<u>Gardeners</u>				school gardens. Contact to discuss your needs
Peterborough Horticultural	√	V	10	May be able to support costs in developing a school garden;
Society				gardening workshops for members.

LANDMARK 11: Find three ways to celebrate each season throughout the year.

Art Gallery of Peterborough	V	√	11	Summer camps for kids; homeschool programs Tuesday afternoons.
				A range of school programs available. Contact the Art Gallery to
				discuss your needs.
Camp Kawartha	V	\checkmark	11	Camp Kawartha's main facilities are north of Lakefield on Clear
				Lake. A wide range of school programs available, specializing in
				2.5 day residential visits. Summer camp opportunities available for
				families. Exciting opportunities in all seasons!
Camp Kawartha Environment		$\sqrt{}$	11	Families can visit the grounds at Camp Kawartha's Environment
<u>Centre</u>				Centre on the Trent University campus, which have a frog pond,
				bird feeders, wetland and forests. The centre can be accessed
				through the main gate on Pioneer Road or via trails from the Trent
				Wildlife Sanctuary on University Road. Extensive programs available
				year-round for schools and families, with many seasonally-linked
				activities.
County Fairs	V		11	County Fairs are a great place to see farm animals and farm
				produce, and revel in the wonders of the growing season, from
				summer through fall. Regional fairs include Millbrook, Lakefield,
				Norwood, Peterborough, Roseneath.
Curve Lake First Nation		$\sqrt{}$	11	A wide range of programs available, through visits to Curve Lake,
				as well as in-class programming; seasonally-linked stories, music, art
	,	,		and insights into First Nations cultures.
Farms at Work	V	$\sqrt{}$	11	Farmers feed all of us! Contact Farms at Work Director Pat
				Learmonth to explore opportunities to visit or help on a local farm,
				and see the many faces of farming through the seasons.

GreenUP Ecology Park	V	V	11	Families can visit the Ecology Park year-round, to see the winter bird feeders, and explore the gardens and plant nursery in spring,
				summer and fall. Class visits and summer programs available as
				well. Check out the website for details.
Shannon Kimewon		$\sqrt{}$	11	Shannon is a First Nation educator who works with kindergarten
				through older grades to tell stories, teach Indigenous songs and
				share Indigenous culture. Many programs are linked to the
				seasons. Contact her to discuss options at wikyraingrl@hotmail.com
KPR Outdoor Education Centres		$\sqrt{}$	11	For schools in the Kawartha Pine Ridge Board, trips can be
				arranged to a nearby outdoor education facility for excellent
				curriculum-linked outdoor programs including a wide range of
				seasonal sports, games and fun!
Lang Pioneer Village	V	$\sqrt{}$	11	Spring and summer visits for families and school groups. Pioneer
				gardens and Indigenous food exhibits.
McLean Berry Farm	$\sqrt{}$	$\sqrt{}$	11	Families can visit for Pick-your-own and maple syrup harvest;
				Classes can participate in Pumpkin harvesting; pumpkin life cycle -
				curriculum linked for primary student focus; positive animal
	,			interactions.
Nourish Project	$\sqrt{}$	$\sqrt{}$	11	Can visit your class to help start a food garden in the classroom or
				outdoors; can explore what makes a healthy diet, and where our
				food comes from; may be able to provide materials including seeds
				and plants; Families can be linked with a nearby community food
				project.
Peterborough Downtown Farmers'	V	$\sqrt{}$	11	A great place to explore for a sensory delight! Every Wednesday
<u>Market</u>				from May through October; talk to farmers about how they grow
				food; see the bounty that changes throughout the seasons; 8:30 AM
	,			to 2 PM
Peterborough Field Naturalists	$\sqrt{}$	$\sqrt{}$	11	Junior naturalists host monthly activities for families. Schools can
				contact naturalists to request a volunteer to accompany school

			groups on walks in the neighbourhood or a nearby natural area.
			Contact Martin Parker mparker19@cogeco.ca or Drew Monkman
			dmonkman1@cogeco.ca for details.
TRACKS	$\sqrt{}$	11	TRACKS (Trent Aboriginal Cultural Knowledge and Science) offer
			Indigenous-inspired programs which include stories and art on a
			variety of earth-linked themes that change with the seasons. Call to
			discuss your program needs.

LANDMARK 12: Meet the friends in your neighbourhood (trees, flowers, mammals, insects and birds).
