Pathway
to Stewardship & Kinship

Pathway Links to the Ontario Curriculum
Grade Two

The Arts (2009)

Drama

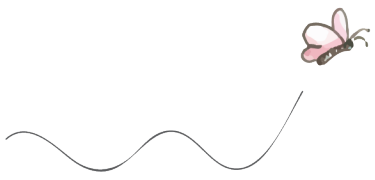
- Engage in dramatic play and role play, with a focus on exploring main ideas and central characters in stories from diverse communities, times, and places.

Visual Arts

- Create two- and three-dimensional works of art that express feelings and ideas inspired by activities in their community or observations of nature.

Physical Education (2015)

- Demonstrate an understanding of factors that contribute to their personal enjoyment of being active
- Identify ways of protecting themselves and others, including those with medical conditions, from safety risks while participating in physical activity

Science and Technology (2007)


- Assess ways in which animals have an impact on society and the environment, and ways in which humans have an impact upon animals and the places where they live;
- Investigate similarities and differences in the characteristics of various animals;
- Demonstrate an understanding that animals grow and change and have distinct characteristics;
- Assess ways in which the actions of humans have an impact on the quality of air and water, and ways in which the quality of air and water has an impact on living things;
- Describe some aspects of the interrelationship between people and the natural and built features of their community,
